WRITE
A LETTER!

Do you scent an order? Are you bent on securing business? Are you intent on welding contacts? Write a letter. Then write another letter! No business built on the write-a-letter rule ever failed. Because you simply can't fail, if you write a letter.

Try it, you'll like it. Great joy and many surprises are in store for you. You'll get letters back. You'll get orders from unexpected sources. All that you gave in your letters will be returned to you a thousandfold. For a letter is a penny investment in good fortune. Write a letter!

And always remember: We can turn these letters out for you . . . a few or a few thousand; we'll sign your name and complete every detail as though you had handled it entirely yourself.
